GUILD MEMBERS AND PROFESSIONALS

SEND US YOUR PROGRAM AND SHOW INFORMATION

FOR THE HQN WEBSITE AND FACEBOOK

Our mission is to keep those who visit the website informed about the activities of our members—guilds and professionals, alike! The more details we can provide on the website, the better!

This benefits guilds by publicizing programs, quilt shows, and attracting new members. It also benefits the professionals by letting guilds know where you will be presenting programs and workshops. Quilt shows and other special events may also be shared on the HQN Facebook page!

Send information about guild programs, quilt shows, and shop hops to our webmaven, Julie Kiffin. Any information sent with officer updates to Liz Granberg-Jerome, Membership Chair, will be forwarded to Julie to add to the web calendar.

A word from your Membership Chair

Thank you to all of the guilds who have sent me officer updates that went into effect with the new year. Updates are being made periodically, and uploaded on the website as more renewals or new memberships are received.

All membership expiration dates are now published in the Member Guilds List. Remember, just because your membership is current doesn't mean we don't need to hear from you. Every year as your guilds vote in new boards/officers, the HQN needs to receive that updated information for our records as well. In each newsletter we include a Membership Form, that is sent in with membership renewal checks, and an Officer Update Form, which can be completed and sent in as officers change while your membership remains current. Please, send that information to me, whether by USMail or email. Please be sure to include name, mailing address, telephone number, and email for the President and Program Chair. All of this information is necessary for the members-only list of guilds.

Looking forward to seeing many of you at the annual meeting.

Liz Granberg-Jerome
HQN Membership Chair

REMINDER: Nancy Wakefield Grant application deadline is March 1, 2020.

The Nancy Wakefield Grant—Background and a bit of HQN history

Some may wonder who Nancy Wakefield is and why this grant is named for her. While Nancy did not start Heartland Quilt Network, she is instrumental to its success. At one point, finances were so low that there was some doubt that HQN would continue. She coordinated the effort to raise funds so it would. Also, over the years Nancy Wakefield held every board position, and has continued to give input and information to those charged with its functioning. Naming this grant to support the continuation and growth of small guilds by bringing HQN professionals to them is a way to honor her involvement in the organization. The application and guidelines are on the two following pages.

GUILD PRESIDENTS AND CONTACT PERSONS

We send digital copies of the newsletter to the guilds—to the president, program chair, or contact person. Because guilds change officers at different times of the year, we try to reach at least one person who can pass the newsletter to the current officers. Please help us by submitting the names, addresses, phone numbers, and email addresses of new officers as soon as you can. It's easy! Just send them to our website!

If your guild has a digital mailing list, please feel free to send our newsletter out to the members of your guild.
