PORT PILLOWS

Cut 2 4X7 rectangles
Cut 1 3" strip of 1" wide Velcro

Separate Velcro into hook side and loop side.
On long side of rectangle place one piece of Velcro, either hook or loop, face down.
On same rectangle, place the other piece of Velcro on the other long side, face up.
Using ¼" seam, sew two rectangles together on 3 sides, leaving one of the short sides open.
Turn rectangle right side out and make sure Velcro will match up.
Stuff with fiberfill.
Turn open end to inside and topstitch shut.
